- 13) Track events take priority, therefore an athlete can jump or throw at the beginning or end of a flight if they need to go to a track event; but after the flight rotation has been completed without the athlete present for that round, the athlete will be given a fault.
- 14) After 3 trials, the top 6 competitors receive three more trials in throwing and jumping events, not in the vertical jumps.

After the first three throws or jumps competitors order will be adjusted based on their ranking.

15) No bib numbers – Races greater than 400m, athletes will be given a number to wear on their front at the start of the race and this is how the athlete will be recorded by the photo timing for results. It is important that athletes compete in their assigned lanes and just as important to place and keep your sticky number on your front.
