Code of Ethics

Adults who work with students in inter-scholastic activities should present a positive role model for them to emulate. Students who represent a school in inter-scholastic activities must be creditable school citizens.

The South Central Zone (SCZ or Zone) recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Zone represents the following general guidelines.

1. All competition must be conducted with a high standard of courtesy, fair play and sportsmanship. All those involved share a responsibility.

a. Coaches

Coaches must demonstrate qualities of courtesy and good sportsmanship. These are evidenced by proper acceptance of officials' judgments, positive encouragement of player performance and bench behavior.

b. Athletes

Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgments, and by showing proper respect for opposing athletes as well as for teammates.

c. Cheerleaders

D. Spectators

i. Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. Volleyball

1. The rules of Volleyball Canada shall govern SCZ volleyball competitions with the exception of the provisions listed below.
2. The SCZ recognizes the Alberta Volleyball Association as the official organization for training and certifying of officials and gives its full support through the use of certified neutral officials.
3. In Zone competition it is the responsibility of the competition chairperson to ensure that the minor officials - linesmen and scorekeeper - are properly trained and present. The ref must be a certified adult. If possible the ump should be a certified adult.
4. A division or area is entitled to one representative per classification for Zone.
5. The Zone host must receive communication from each division by October 31 or the division will be ineligible for Zone competition. To avoid communication problems if your team is interested in attending zones get in contact with the zone host.

6. Ideally, the tournament will consist of eight teams in two pools of four. At the conclusion of pool play the following format will be used

Game 1	3 rd Pool A	vs	2 nd Pool B
Game 2	2 nd Pool A	vs	3 rd Pool B
Game 3	Winner of Game 1	vs	1 st Pool A
Game 4	Winner of Game 2	vs	1 st Pool B
Game 5	Loser of Game 3	vs	Loser of Game 3 (Bronze Medal)
Game 6	Winner of Game 3	vs	Winner of Game 4 (Gold Medal)

(spring, 2014)

7. If there are 7 teams, the tournament will consist of two pools – one of three teams and one of four teams. Before the playoffs occur there will be a cross over game where the 4th place team from the pool of four will play the 3rd place team from the pool of three. Should the 4th place team win, that team will take the place of the 3rd place team from the pool of three and the loser of that game will be eliminated. Play-offs will then occur as they do in the six-team tournament found in zone policy.
8. If there are six teams, the tournament will consist of two pools of three. Play-offs cross over 3rd vs. 2nd with the loser of this game being eliminated. Winners play first-place teams with the successful team advancing to the gold medal game, the losers playing for bronze.
9. If there are five teams, the tournament will be a round robin, followed by 2nd vs. 3rd with the winner playing the 1st place team in the gold medal match.
10. If there are four teams, a round robin is played with 1st vs. 4th and 2nd vs. 3rd. The winners play for gold and losers play for bronze.
11. All matches are best of three with the first games played to 25 points, cap at 27 in round robin play. Third games are played to 15 points with a cap at 17 in round robin play.
12. Ties are broken according to Volleyball Canada and ASAA regulations.
13. The net height for girls is 2.15 metres and 2.24 metres for boys.
14. Host schools automatically qualify for Zone competition.
15. If all divisions do not field a team and there are spots open the criteria for selection are:
 - a. Best record
 - b. Widest diversity of competition
 - c. Date of application for entry to tournament
16. Receiving a serve with an overhand motion using the fingers (volleying/setting the serve) is permitted.

17. A libero may be used at the junior high zone competition. (Fall 2016)
18. The official game ball to be used for the zone championship shall be the Tachikara SV5W Gold-SWB
19. At the 1J level, schools may combine genders to compete in zone competitions in basketball and volleyball. Teams are required to compete in the boys zone competition. (Spring 2017)
